About Un-Limb-ited Camp

The Un-Limb-ited Camp is staffed by members of physical and recreational therapy, nursing and prosthetics, offering a unique opportunity for fourteen high school aged young adults with amputations to learn river running and camping. Participants will receive professional instruction from Holiday River Expeditions. Through additional activities, campers will have opportunities to interact with both their peers and staff members. As a group, they will explore issues common to teenage amputees while developing skills for future success.

The Un-Limb-ited Ski and Snowboard Camp is staffed by members of physical and recreational therapy, nursing and prosthetics, offering a unique opportunity for twelve young adults with amputations high school ages , to learn adapted skiing and snowboarding. Participants will receive professional instruction from National Ability Center instructors. Through additional activities, campers will have opportunities to interact with both their peers and staff members. As a group, they will explore issues common to teenage amputees while developing skills for future success.
